

ImmunOctoberfest - Bridging Innovation and Translation in T cell Immunotherapy

Conference contact information

conf.physio@ls.tum.de

Hotel-to-conference shuttle service will be provided in the morning and evening for speakers and participants (details coming soon). See page 8 for local taxi numbers.

Individual mid-day transportation for speakers or sponsors (or for emergencies) can be provided upon request. Please contact the conference office or call a member of the support team (numbers will follow soon*).

Please note that this is an early version of the conferences program. Several key aspects including exact times for shuttle departures, speakers/presenters and contact persons are still to be determined and will be included in future versions of the document.

General information (and most recent version of this document) can be found under:

<https://www.physio.wzw.tum.de/symposia/immunological-symposium-2024/>

*Private emergency transports organized by participants

Support for this symposium was generously provided by the following sponsors:

Coming soon!

Food:

- **Breakfast:** is provided by the hotel.
- **Lunch (Fingerfood, Sandwiches):** will be provided on site at the times indicates in the program
- **Coffee breaks:** Coffee, beverages and pastries will be provided in the morning and afternoon
- **Dinner:** will take place in the Kloostergasthof (on site). Coupons will be provided with the registration documents.

Vegan options are available.

Other useful information:

WLAN: We have different WLAN option. We recommend logging in via Eduroam, which is available from most Universities (including most US Universities). Please check your university homepage for login credentials.

Other login option will follow

Talks: need to be uploaded on the evening before. Please contact the technical teams during session breaks

Certificates: Conference attendance certificates will be provided automatically via email after the conference.

Octoberfest (Sept. 26th) Hofbräu Festzelt Tent: (Includes a selection of food and beer).

Travel to Munich: The buses leave on time right after the last session from the from the TUM Study Center Raitenhaslach (not from the hotels). Unfortunately, we cannot wait for late arrivals as we need to be on time in Munich. **Please bring your conference badge with you** as this is your entry into the bus. There is enough capacity for all people who have previously registered for the Oktoberfest but buses are filled on a first come first serve base. Please use all seats as we have no extra seats. The buses have to park on predetermined places. Address is Zenettistr. 11, Viehhof (subject to change).

Return to Burghausen: Please be 19:15 on time at the bus parking Zenettistr. 11 (subject to change). The bus will leave at 19:30 on time. Depending on travel, we will likely return ~22:30 in Burghausen. The return buses will stop at the hotels. All buses will serve all hotels in sequential order.

Please note that you are allowed to bring a small bag, small mini rucksack with no more than 3 l volume. You are not permitted to bring any food, drink, glass bottles, or spray cans.

Specific information can be found under:

<https://www.oktoberfest.de/en/information/service-for-visitors/security-at-oktoberfest-what-can-i-bring-with-me>

Reservation number (will be announced soon) and password (will be announced soon), We are in Box TBA (subject to change). Please see the current reservation schedule posted at the entrance to the tent. We have reserved 14 tables for 10 persons each

Further information will be provided during the ~90 min bus ride.

Transportation drop-off and pickup locations (will follow):

Please note that **Uber** is in principle also available in the closer Munich and Munich airport area and works via your normal cell-phone app. However, the coverage and waiting times could be longer as it is not as popular as in other countries.

If you miss the bus transport, you need to return to Burghausen via train or by using a taxi (~200-300 EUR per ride).
